To Whom It May Concern:

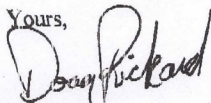

Our company chose Boss Roofing from the yellow pages to quote a price on roofing part our building. We hired them based on their years of experience and competitive price.

I was very happy with the quality of work and friendly hard working crew. They left the job site as they found it, clean and tidy. If a problem arose, Boss Roofing quickly responded and fixed it.

The following year when we needed a large repair on another part of the roof, we didn't hesitate to hire them again.

Should you require any further information, please do not hesitate to call our office at (905) 987-4852.

Yours,

Doug Rickard
