

**CITY OF  
PETERBOROUGH**

March 30, 1982

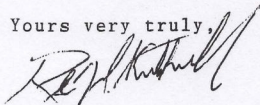

To Whom It May Concern:

Mr. J. McGowan operating as Boss Roofing of Whitby completed a re-roofing job on our DeLafosse branch library to my satisfaction last fall.

The work consisted of stripping, insulating and applying a four ply tar and gravel roof to some 5000 square feet of flat roof.

If you have any questions concerning this work I would be pleased to discuss it with you.

Yours very truly,

R.E. Whitehill  
Manager
